AG INTEGRATE: YOUR STRATEGIC PARTNER FOR FLEXIBLE LEGAL TALENT

A legal resourcing service that gives you flexible access to high-quality, handpicked lawyers and other professionals.

WHAT AG INTEGRATE DOES

- AG Integrate enables organisations to create a more agile and scalable workforce model, providing flexible access to legal and business professionals across all experience levels, who can respond to evolving priorities, fluctuating workloads, transformation programmes and business-critical projects.
- Every consultant is carefully selected for their skills, experience and cultural fit, creating the perfect match between client and consultant from day one.
- Unlike traditional resourcing providers, AG Integrate combines flexible talent solutions with the governance, quality assurance and expertise of Addleshaw Goddard, giving clients confidence that every consultant is supported, accountable and positioned for long-term success.

OUR CORE SERVICES:

PARALEGAL HUB

Flexible paralegal support to clear backlogs, manage volume work and give stretched legal teams immediate extra capacity.

GC ON-DEMAND

Experienced legal leadership, available flexibly to steer strategy, manage risk and support your business without the need for a permanent hire.

COMPANY SECRETARIAL & GOVERNANCE

Interim specialists who keep governance, board activity and statutory obligations running smoothly through gaps, change or increased demand.

LEGAL OPERATIONS & RISK

Specialist resource to strengthen controls, improve legal processes and deliver transformation, compliance or risk-critical projects.

INTELLECTUAL PROPERTY

Flexible specialist IP expertise that helps protect innovation, strengthen IP strategy and control costs.

HR CONSULTANCY

Non-legal HR specialists who provide practical support across transformation, workforce challenges and people initiatives.

AG INTEGRATE: YOUR STRATEGIC PARTNER FOR FLEXIBLE LEGAL TALENT

HOW IT WORKS

The process typically involves the following steps:

- 
 - Understanding your needs: AG Integrate consults with your business to understand your specific legal requirements, including the type of expertise needed, duration of the assignment, and preferred working arrangements.
- 
 - Talent Matching: Drawing from a vetted pool of high-quality lawyers and legal consultants, AG Integrate identifies suitable consultants whose skills and experience align with your needs.
- 
 - Selection and Onboarding: You review candidate profiles and select the preferred professional(s). AG Integrate manages the onboarding process, ensuring all compliance and administrative requirements are met efficiently.
- 
 - Ongoing Support: Throughout the assignment, AG Integrate provides ongoing support to both you and the interim consultant, ensuring expectations are met and addressing any issues that may arise.
- 
 - Assignment Completion: At the end of the assignment, AG Integrate assists with offboarding and gathers feedback to ensure continuous improvement of the service.

AG INTEGRATE: PARALEGAL HUB

Maximise workflow for your legal team with dedicated paralegal support

AG Integrate provides flexible access to capable paralegals who can support business-as-usual activity, peaks in demand and defined legal projects. Whether you need to clear a backlog, manage high-volume work or create additional capacity for your in-house team, we provide practical support that integrates with your existing team and ways of working.

We select paralegals for the work you need delivered, the environment in which they will operate and the way your team works, creating the perfect match from the outset.

HOW WE CAN SUPPORT YOU

Our aspiring solicitors and career paralegals are on hand to provide paralegal support across a host of key areas such as:

- Contract review and administration
- Corporate and transactional support
- Real estate portfolio activity
- Employment matters and case support
- Data privacy and information requests
- Document review and disclosure
- Litigation and investigation support
- Compliance reviews and remediation
- Legal technology and transformation projects

THE VALUE TO YOU

INCREASE CAPACITY

Add resource quickly when workloads increase, without permanently expanding the team.

PROTECT HIGHER-VALUE TIME

Redirect routine, repeatable and process-driven activity away from lawyers and subject-matter specialists.

CREATE A SCALABLE DELIVERY MODEL

Build a flexible layer of support that can expand, reduce or change as priorities evolve.

AG INTEGRATE: GC ON-DEMAND

Experienced legal leadership and specialist expertise, available when your business needs it.

AG Integrate provides flexible access to experienced General Counsel, senior lawyers and specialist legal professionals. They can lead the legal function through periods of transition, provide cover for a critical role, advise on a strategic priority or bring the focused expertise required to deliver a complex programme.

HOW WE CAN SUPPORT YOU

- Interim General Counsel and Head of Legal cover
- Legal function leadership during transition or change
- Legal strategy and operating model development
- Board and executive stakeholder support
- Complex projects and business-critical programmes
- Regulatory and risk leadership
- Legal team development and capability building
- Specialist roles requiring defined sector or technical expertise
- Support ahead of, or alongside, a permanent appointment

THE VALUE TO YOU

MAINTAIN LEADERSHIP CONTINUITY

Keep the legal function focused and effective through vacancies, leave, restructuring or organisational change.

ACCESS SENIOR EXPERTISE FLEXIBLY

Bring in experienced leadership or specialist capability without immediately committing to a permanent hire.

CREATE MOMENTUM

Give strategic priorities clear ownership and the senior attention required to move them forward.

AG INTEGRATE: COMPANY SECRETARIAL AND GOVERNANCE

Flexible governance expertise that keeps boards, entities and statutory activity running smoothly.

AG Integrate provides company secretarial and governance professionals who can strengthen day-to-day delivery, maintain continuity during gaps or change, and provide additional capability for complex governance projects. Our consultants work alongside legal, finance and leadership teams to keep governance activity organised, controlled and progressing.

HOW WE CAN SUPPORT YOU

- Interim company secretarial cover
- Board and committee meeting support
- Agenda, paper and minutes management
- Statutory filings and records
- Entity management and governance calendars
- Subsidiary governance
- Director appointments and changes
- Governance frameworks, policies and procedures
- Corporate transactions and restructuring projects

THE VALUE TO YOU

MAINTAIN CONTINUITY

Keep critical board, entity and statutory activity moving during vacancies, absences or periods of increased demand.

STRENGTHEN GOVERNANCE DELIVERY

Introduce additional experience and structured support where internal teams are stretched.

MANAGE PEAKS AND PROJECTS

Add focused resource for transactions, restructurings, governance reviews or large-scale corporate activity.

AG INTEGRATE: LEGAL OPERATIONS AND RISK

Specialist resource to improve how legal work is managed, controlled and delivered

AG Integrate provides legal operations, compliance and risk professionals who can strengthen existing processes, deliver defined improvement programmes and support legal teams through operational or regulatory change. The service can provide additional project capacity or specialist expertise that is not required as a permanent part of the team.

HOW WE CAN SUPPORT YOU

- Legal function and operating model reviews
- Process mapping and improvement
- Legal technology implementation and adoption
- Matter management and workflow design
- Outside counsel and panel management
- Legal spend and management information
- Contracting processes and playbooks
- Compliance and remediation programmes
- Risk frameworks, controls and reporting

THE VALUE TO YOU

IMPROVE DELIVERY

Create clearer, more consistent processes for managing legal work.

STRENGTHEN CONTROL

Improve visibility over workload, risk, external spend and delivery performance.

ACCELERATE CHANGE

Add dedicated expertise and capacity to move transformation or remediation programmes forward.

AG INTEGRATE: INTELLECTUAL PROPERTY

Flexible specialist IP expertise to protect innovation and support commercially focused decision-making

AG Integrate provides flexible access to patent attorneys, trademark attorneys, IP counsel, formalities support and paralegals. The talent pool of IP specialists can complement internal legal and innovation teams. The service can provide additional capacity, cover a specialist requirement or introduce targeted expertise for a defined portfolio, transaction or strategic project.

HOW WE CAN SUPPORT YOU

- Patent portfolio management
- Patent drafting and prosecution support
- IP audits and portfolio reviews
- Invention capture and assessment processes
- IP strategy and governance
- Trademark and brand portfolio support
- IP due diligence
- Licensing and commercialisation projects
- IP support for transactions, investment or restructuring

THE VALUE TO YOU

ACCESS SPECIALIST CAPABILITY

Bring in specialist IP professionals when it is needed, without the commitment of building into the permanent team. Perfect for alleviating short term team pressures.

CONTROL COSTS

Match the level and duration of support to the work required, creating a proportionate and cost-effective delivery model.

CONNECT IP WITH THE BUSINESS

Provide practical resource that can work alongside legal, R&D, commercial and leadership teams.

AG INTEGRATE: HR CONSULTANCY

Practical, non-legal HR expertise for workforce change, people projects and operational challenges

AG Integrate provides flexible access to experienced, non-legal HR consultants who can support transformation, organisational change and defined people initiatives. Working alongside HR, legal and leadership teams, our consultants provide the additional capability and delivery capacity required to turn plans into practical action.

HOW WE CAN SUPPORT YOU

- HR transformation programmes
- Organisational design and restructuring
- Workforce planning
- Employee relations projects
- Policy and process reviews
- HR operating model development
- Culture, engagement and change initiatives
- Learning, development and capability programmes
- HR project and programme management

THE VALUE TO YOU

ADD DELIVERY CAPACITY

Provide hands-on support when HR teams are managing competing priorities or significant change.

ACCESS FOCUSED EXPERTISE

Bring in capability for a specific project or challenge without creating a permanent role.

JOIN UP DELIVERY

Connect the people, legal, operational and commercial aspects of workforce change through a more holistic delivery mode.
