OUR COMMITMENT TO MANCHESTER

We are committed to the success of the region and look for every opportunity to play our part in supporting Manchester and the North West England – by our partners sitting on the Boards of the Manchester China Forum, the Local Enterprise Partnership, the Chamber of Commerce Construction Group, the Bridgewater Hall, the Regional Council of the CBI, and the Partnership Board of GMCVO Talent Match, by our commitment to Manchester's offer each year at MIPIM and by our financial support for the ResPublica Report on Devolution and our role as pro bono legal advisers to ESOF and Manchester as the European City of Science.

That support has afforded us the opportunity to work on many of the Region's major development and infrastructure schemes from Airport City, NOMA, MediaCity UK and Abu Dhabi's £1bn investment in New East Manchester to transformational transport schemes in an operational environment such as Victoria Station, Ordsall Chord and the Oxford Road redevelopment.

It is through these connections in the local market that we are able to help our clients grow their business, not only through our legal advice, but also via introductions to relevant organisations from our rich and diverse base of contacts.
